

I'M OK NOTIFICATIONS CONFIRMING YOU ARE OK

HOW 'I'M OK' WORKS

During a time period set by your onsite staff, your LivingHub will display the message 'I'm not OK'. For instance this time period could be 9am-11am each morning. During this time the 'thumb symbol' in the bottom right quadrant will appear red **NOT OK**.

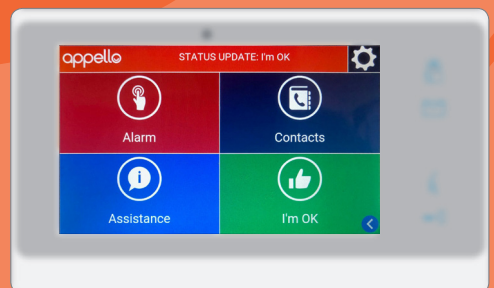

STEP 1

If you are OK and do not require a visit from any onsite staff you need to press the red symbol **NOT OK** during the time period.

STEP 2

Upon pressing, a message will appear on screen 'You have successfully informed the site admin that you are OK, no visit is required'. The symbol will appear green **I'M OK** to denote no visit is required.
